Categorical Eligibility, 2605(b)(2)(A) - Assurance 2, 2605(c)(1)(A), 2605(b)(8A) - Assurance 8				
1.4 Do you consider households categorically eligible if at least one household member receives at least one of the following categories of benefits in the left column below? ☒ Yes ☐ No				
If you answered "Yes" to question 1.4, you must complete the table below and answer questions 1.5 and 1.6.

1.4a. Provide your definition of categorical eligibility. Please explain how households are categorically eligible (i.e, do all household members need to receive the benefits or just one member, is there a data exchange in place?) and how categorical eligibility streamlines the LIHEAP application process. A household is considered categorically eligible if any one member of their household is receiving TANF, SNAP, or SSI. Categorical eligibility removes the need for income verification, providing additional efficiency during the document collection and eligibility verification process. Subrecipients utilize Client's award letters from appropriate agency demonstrating program enrollment.				
1.5 Do you automatically enroll households without a direct annual application? ☒ Yes ☐ No				
If Yes, explain: Households that are enrolled in a categorically eligible benefits program that can be matched to a Florida utility account are eligible to receive LIHEAP without an application.				
1.6 How do you ensure there is no difference in the treatment of categorically eligible households from those not receiving other public assistance when determining eligibility and benefit amounts?				
Other than the waiver of income verification for clients considered categorically eligible, the process is the same for all applicants as it relates to the intake and benefit amount. FloridaCommerce ensures that required applicant eligibility information is collected and provided by the certifying agencies for TANF, SSI, and SNAP via award letter.				
SNAP Nominal Payments				
1.7a Do you allocate LIHEAP funds toward a nominal payment for SNAP households? ☐ Yes ☒ No

C. If an applicant is receiving rent supplements through HUD or Section Eight, the subrecipient must obtain a copy of the applicant's rental agreement/lease to determine if energy assistance is included or a separate expense from the monthly rent obligation. A copy of the lease must be placed in the client file. D. The subrecipient may approve applicants who move from ineligible housing to eligible housing. Single audits are required to be submitted to FloridaCommerce by the LIHEAP subrecipients annually and must be reviewed each year for deficiencies or material weaknesses. On-site monitoring of administrative, fiscal, and program operations of each Subrecipient are conducted every two to three years. A sampling of fiscal operations, client files, and vendor payments are reviewed to ensure compliance with federal and state requirements of expenditures of funds.
