Categorical Eligibility, 2605(b)(2)(A) - Assurance 2, 2605(c)(1)(A), 2605(b)(8A) - Assurance 8

1.4 Do you consider households categorically eligible if at least one household member receives at least one of the following categories of benefits in the left column below? ☒ Yes ☐ No

If you answered "Yes" to question 1.4, you must complete the table below and answer questions 1.5 and 1.6.

	Heating	Cooling	Crisis	Weatherization
TANF	☒ Yes ☐ No	☒ Yes ☐ No	☒ Yes ☐ No	☒ Yes ☐ No

1.4a. Provide your definition of categorical eligibility. Please explain how households are categorically eligible (i.e, do all household members need to receive the benefits or just one member, is there a data exchange in place?) and how categorical eligibility streamlines the LIHEAP application process.

“Categorical recipient” means those individuals who are in receipt of assistance under the Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), and/or Temporary Assistance to Needy Families (TANF)/Temporary Assistance to Other Needy Families (TAONF) programs and shall include only:1. SSI recipients certified by the Social Security Administration (SSA) to be in SSI independent living arrangement and certified by the SSA to be eligible on the first day of the month of application.2. SNAP and TANF/TAONF recipients in the Department’s eligible computer files on the first day of the month of application.3. Households in receipt of Transitional Benefits Alternative (TBA) are not means-tested and are therefore not considered categorical recipients.

1.5 Do you automatically enroll households without a direct annual application? ☐ Yes ☒ No

If Yes, explain:

1.6 How do you ensure there is no difference in the treatment of categorically eligible households from those not receiving other public assistance when determining eligibility and benefit amounts?

Basic eligibility requirements are the same for all households. There is no differentiation in maximum benefits or point assignments among income-eligible households and categorically eligible households. No difference is made in payment amounts. In crisis assistance, payment is issued according to the alleviation amount as verified by the utility company to restore service, with the same maximum payment for income-eligible and categorical eligible households.

SNAP Nominal Payments

"Crisis" means utility power at the household's current residence has been or will be terminated within seven days from the date of application due to nonpayment of bill. Applications for crisis assistance are accepted year-round and households are served under the Energy Crisis Intervention (ECI) component. Service to a household in crisis must be restored within 48 hours of ECI approval, or within 18 hours when the household is in a life-threatening crisis leading to the endangerment of life. A life-threatening situation is where an eligible household contains at least one household member with an illness or medical condition that poses an immediate risk due to the loss of the energy source or has a medical condition requiring the use of an energy source to operate a medical device or store medication. Examples include but are not limited to life support, CPAP, nebulizer, and refrigerated medicines.

4.3 What constitutes a life-threatening crisis?

A life-threatening situation is where an eligible household contains at least one household member with an illness or medical condition that poses an immediate risk due to the loss of the energy source or has a medical condition requiring the use of an energy source to operate a medical device or store medication. There are the only four such community action agencies, Honolulu Community Action Program (HCAP) for Oahu, Hawaii County Economic Opportunity Council (HCEOC) for Hawaii Island, Kauai Economic Opportunity (KEO) on Kauai, and Maui Economic Opportunity (MEO) for Maui, Molokai, and Lanai. Are there exceptions? ☐ Yes ☒ No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

Energy Credit: at the time the State forwards the payment to the utility company, a notice of disposition is sent to inform the household of the amount sent to the utility company on their behalf. Utility companies use standard accounting payment processing systems for subscriber accounts, assuring payment processing systems for subscriber accounts, and assuring payments are posted against utility expenses with available balances for the following month's bill. The utility companies must also make staff available to assist H-HEAP customers with balance inquiries. Notices are sent to eligible customers informing them of their benefits amount. If the benefit amount is different from the credited amount the name and phone number of the H-HEAP community agencies are listed on the notices for inquiries

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The Vendor Agreement states that no LIHEAP household shall be treated adversely nor be discriminated against in cost of goods or services provided.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

Community Action Agencies electronically submit names of eligible households to the State Office. Prior to sending the files they will check for duplicate applicants and household members. After all checks are completed a listing of all eligible customers are sent to the Department's Fiscal Office and the State's Department of Budget and Finance office for processing. This process is done monthly for all Crisis applicants and annually for all Heating and Cooling applicants. The Department of Human Services fiscal office follows standard accounting procedures for all federal programs, including H-HEAP, the office uses State accounting manuals of the Department of Accounting and General Services and the statewide Financial Accounting and Management Information System (FAMIS) Department accounting staff is not part of H-HEAP. They also track expenditures and cost allocations. The H-HEAP budget is monitored by the H-HEAP Coordinator and reviewed monthly during budget meetings with fiscal staff. H-HEAP is also subject to state single audits

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grant recipients Other Than Individuals)

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
